If you think you know
Mid-Columbia Medical Center,
think again as we redefine
health care in the Gorge
in the 21st century.

You Know?

- **Celilo Cancer Center** is the only cancer center in the Gorge **accredited** by the American College of Surgeons Commission on Cancer.
- In addition to the role we play as a health care provider, MCMC also serves as an economic engine for the area with approximately **950 employees**.
- MCMC is **one of only three accredited** adult medical inpatient rehabilitation facilities in Oregon and the only one in the Gorge.
- To help keep student athletes healthy and safe, we provide **free athletic training** services to eight local middle and high schools, providing injury prevention, triage, rehabilitation and concussion care, and more.
- MCMC's **Immediate Care Center at Water's Edge** provides non-emergency care on a walk-in basis when you have a medical need that is not life-threatening but cannot wait for a doctor's visit.
- **Our mission:** To provide exceptional health services and experiences through person-centered care.
